STUDY SPACE LISBON 2019

INFORMAÇÕES

What is Study Space?

Study Space is a weeklong intensive workshop in which scholars, government representatives and private sector professionals develop solutions to legal, social and policy challenges in urban areas.

The setting for **Study Space XII** is Lisbon. Its theme is **Living in a Tourist Destination: Regulating Planning, Housing and the Sharing Economy**. All lectures will be in English.

Study Space is unique because:

- Participation is limited to a small group of international scholars and professionals selected from a variety of disciplines.
- The program examines and provides recommendations for a defined set of challenges facing the host city.
- It promotes active learning and problem-solving through research, site visits and group discussions with local academics, nongovernment organizations and government officials.
- Participants contribute scholarly articles for publication in an online journal with international reach.
